11/19 We are Family Night @ 5:30

11/25-11/27 Thanksgiving Break

12/21-1/4 WINTER BREAK

From the Desk of Dr. Waters Great Start with New Initiatives!

We have had an amazing start to our school year. Our faculty and staff wanted to show our students that we value them so this year we have included a few new initiatives. We now have PAWS awards. When we see students going above and beyond inside and outside of school, we give them a PAWS award and announce what they did over the announcements. These are posted on our Principal's Board. We have some remarkable students who have made us very proud! We also recognize birthdays each day over the announcements. We LOVE our students!

Our students have been completing some incredible work this quarter. Make sure you ask your 5th or 6th grader about their Personal Narratives or Conceptual Math. Ask your 7th or 8th grader about their favorite Performance Task they have completed in their ELA, Science, Social Studies, and Health Classes. We are very PROUD of our students and their academic success!

Thank you to Graceland Baptist Church

Friday, September 11, 2015, Graceland Baptist donated close to 1,000 book bags filled with \$50 worth of nonperishable items to ALL of our students. We were truly grateful for their generous donation. Our students wrote many thank you notes, cards, letters, and posters that were dropped off to the church last week. It's nice to know that we have community members "paying it forward" to our students and teaching them about being generous and thankful.
