Parents and Students,

Welcome to the beginning of another school year! We hope you all enjoyed your summer and are ready for another awesome year at Hazelwood. There have been some changes to the Success Cards that the students earn, and we wanted to make you all aware of some of the things you have to look forward to – and strive for – on them.

What are Success Cards?

The Success Cards are business-card sized papers that your student will receive every grading period. These cards are distributed to students in three different groups: students who have earned all A's, students who have earned all A's and B's, and students who have earned all A's, B's, and C's.

What are the Success Cards good for?

Depending on your student's grades, there are a variety of free items and discounts that the Success Cards can be used for. Please see the attached sheet for the different items.

Do I have to keep my Success Card to redeem the items on it?

YES. You will have to present your Success Card (with your name and grade level on it) to each business in order to redeem for the free items or discounts. In some cases, you will also have an additional coupon that must be handed to the business in order to redeem. Each business will mark off their spot on your card when you have redeemed your item/discount at their place of business.

Can I redeem each item more than once?

NO. Each item can only be redeemed once per grading period, with the exception of the NAFC library's fine bucks. You may redeem those any time you'd like.

Are there expiration dates for redeeming items/discounts?

Not unless they have an expiration date noted on the coupon. Please be sure to check, so your student receives the full benefits of their card!

My student has an A on their report card, but not all A's, A's & B's, or A's, B's, and C's. Can they still receive something?

Yes – although not through our Success Cards. There are lots of local businesses that give out goodies for an A on a report card! Below you will find a list of businesses who will give out items, and what they typically give. Please note that some places will not give anything to students that are in grades above 8th. ***Please call each business before you go in with your report card to ensure that they are still participating in any promotion!*** Also, please be sure to take your student's report card with you when you go. The businesses who participate will have to see the A and mark the report card (usually with a stamp or hole punch) before you receive your item.

ONE A ON YOUR STUDENT'S REPORT CARD WILL EARN THEM (*this is for ANY school student who earns at least one A on their report card, unless otherwise noted*):

- one free child's scoop of ice cream at **Graeter's** (4310 Charlestown Road, New Albany, 812-949-6263)

If you have any questions, please feel free to send us an email at hmspto@nafcs.k12.in.us. We are always looking to add businesses to our list, so if you know of a business that will contribute or would like us to try a specific place, please let us know, and we'll do our best! We hope that everyone has a great year!
