

Parents:

ISTEP is coming...are you ready? We will be testing your child on February 27th through March 1st. Below are items we need donated to make sure our students (all 973 of them) are ready for outstanding testing days:

We need:

*Packages of cheese crackers or Cheez-Its

*Fruit snacks

*Big bags of Starlight mints

If you can donate these items, you can either send them to the office with your child or drop them off when you get the chance. Your child will receive a BARK bone for the generous donation. Please bring items by February 22nd.

Thank you for your generosity!

Dr. Waters

Principal

Go Bullpups!

**No peanut products please due to severe allergies. ☺
