## NAFCS Solar Eclipse Viewing Permission Slip

On August 21, 2017, Floyd County will be in the path of the solar eclipse.

Students will not be permitted to look at the uneclipsed or partially eclipsed sun through unfiltered cameras, telescopes, binoculars, or other optical devices, with or without glasses.

NAFC Schools will be providing students with official ISO authorized solar eclipse glasses to wear for outdoor observation.

Because of these safety concerns, we are requiring parents to return this signed form regarding child participation in outdoor activities.
